CANALICCHIO DI SOPRA®

BRUNELLO DI MONTALCINO
VIGNA LA CASACCIA

2016

Decanter

97/100

The second release of this single vineyard, La Casaccia was planted in 1990. At an average altitude of 300 metres, it sits on predominantly clay soils and is bathed in sun from morning until evening. This doesn't have quite the plushness or gregarious personality of the 2015 but takes on the 2016 vintage's more vertical path, opening slowly. Aromas are evocative of pine, cedar and sage. Full but not weighty, the palate brings in earthy nuances with wild berries.

Acidity is cleansing, and silky tannins build up to a powerful finish.
