BRUNELLO DI MONTALCINO
VIGNA LA CASACCIA

2019

JEB DUNNUCK

98/100

The 2019 Brunello Di Montalcino Vigna La Casaccia pours a rich and youthful red/ruby color and is from the unique clay-based soils just outside the winery. This wine takes things up another notch, with notes of raspberry liqueur, licorice, toasted sage, and lavender perfume. Full-bodied, it has a lot to offer, with ripe tannins, balanced, even acidity, dark mineral accents, and pure lasting concentration of fruit all the way through a mouthwatering finish. A remarkable wine, I highly recommend seeking out it for your cellar and aging. Drink 2027-2050.
