BRUNELLO DI MONTALCINO
VIGNA MONTOSOLI

2020

Decanter

95/100

This cru bottling is crafted from Filari Lunghi, one of four contiguous estate plots on the northwest flank of the Montosoli hill. In 2020, it was picked on 22 September, before a period of intense rain. A focused nose demonstrating its breed plays to its floral and mineral elements. Thyme blossom and pressed violet meet smoky flint, wet stone and iron. The palate expands on a scrim of black raspberry, its debonair tannins speaking to a gentle hand, though still with ample textural intricacy in this attractively sculpted Brunello. Drinking window 2026 – 2037.
