BRUNELLO DI MONTALCINO
VIGNA MONTOSOLI

2020

JEB DUNNUCK

97_{/100}

The 2020 Brunello Di Montalcino Vigna Montosoli displays a bright red/orange-tinged color and is bright with notes of pomegranate, raspberries, tangerine, dusty earth, and dried herbs. Medium-bodied, it's elegant and refined, with ultra-fine tannins, even acidity, and a floating feel that's balanced and never austere. A very pretty wine, it has a haunting perfume on the back palate and is delicious now, although it should age gracefully over the next two decades. Maturity 2025 – 2045.
