

CANALICCHIO DI SOPRA®

BRUNELLO DI MONTALCINO
VIGNA LA CASACCIA

2018

JEB DUNNUCK

97/100

From more clay-based soils, the 2018 Brunello Di Montalcino Vigna Casaccia pours a bit deeper ruby color and is riper and broader in its feel, with deeper notes of fresh black cherries, mocha, and pressed flowers. Medium to full-bodied, it offers more richness on the palate, with ripe tannins and good concentration for this challenging, cooler vintage. Long on the palate, with a great finish, it's a very successful and more age-worthy wine for this vintage. Drink 2026-2046.
