2016 RETASTING

The 2016 Brunello di Montalcino Riserva is layered and complete, with a seamless personality that feels both serious and polished. The nose offers aromas of suede, baked cherries, fresh herbs, and mossy earth, with a deeper savory tone underneath. Medium to full-bodied, it has plush, vibrant acidity, and a long finish that is both structured and graceful. Drink 2026-2050.
